

The Berwyn Clayton Award for Distinguished Service to AVETRA

The Berwyn Clayton Award for Distinguished Service to AVETRA has been instituted as a way of recognising the exemplary and distinguished service of nominated AVETRA members who have through their endeavours worked towards improving AVETRA's status as Australia's peak association for VET researchers. This award is to be awarded on a bi annual basis and it will be presented at the AVETRA Conference every second year (in even years, with nominations due in February of those years). Eligibility: All nominees and those nominating them must be current AVETRA members.
