

Resources – Mentoring

Griffiths, V, Hryniewicz, L & Thompson, S 2010, 'Developing a research profile: mentoring and support for teacher educators', *Professional Development in Education*, vol. 36, no. 1-2, pp. 245–262.

In relation to teacher educators' professional development, this paper is based upon a comparative study between two higher education institutions in the southern part of Britain. The project developed a greater sense of the value of research.
